# Where to get coffee, chill, drink, eat & party during Dreamforce 2014

# Where to chill:

- 1. Don't mind a big crowd? Take in some sun on the rooftop at Yerba Buena Gardens.
- 2. If you're looking for a break from the mass, check out the fountain at 303 2nd Street Plaza.
- 3. Is it a greenhouse or a gallery? You be the judge.

  101 2nd street is a relaxing space to take a breather.
- 4. If you'd rather pamper your feet after walking around Moscone all day, treat yourself at Burke Williams Spa.

# Coffee spots:

- 5. Blue Bottle Coffee is a San Francisco staple, and won't be as crowded as some cafes around Moscone.
- 6. You can never go wrong with a cup of Peet's Coffee.
- 7. Another local favorite is Philz Coffee, where the most popular drink is the iced Mint Mojito coffee, complete with a fresh mint leaf on top.
- 8. It doesn't get much more hip than two-story, industrial-style Sightglass, where you can brew your own cup of coffee.
